As the Department is not now in a position to realize any of the assets, this amount has to be written off the accounts and the account closed as recommended by the Secretary. For the reasons recorded by the Chief Secretary and the impracticability of getting necessary records, no satisfactory audit can be arranged and it would only involve an additional cost to Government.

My dear Sir,

I enclose for your perusal, in original, a letter I received from the manager, Vokkaligara Press together with enclosure.

I was astonished to find in your letter No G. 3701/G.M. 31-24-19 dt 26. Nov. 1924 addressed to the Manager, Vokkaligara Press that I am to pay out of my private funds the printing charges for Arthasadhaka Patrike, a Government journal which I conducted for Government for a period of two years without the benefit of a nickle coin from Government for myself.

How the matter came to be so deliberately misrepresented to you I am unable to say. If the records of only 2 years ago are available, would you please call for Govt Order No JC. 3788-90/Ec. 5-22-30 dt 11. Dec. 1922, and the audit report mentioned therein and note paragraph 3 of the order where it is directed that the Secretary Economic

Chief Secretary to Government.

Sir,

With reference to your letter No.G.4612/G.M.31-24 dated 18.12.1924 in regard to the adjustment of certain liabilities of the Arthasadhakapatrike, I have the honor to state that as the matter relates to the old Economic Conference Office, and as the records of this Office are now being sorted by the Office of the Secretary to the Board of Industries and Commerce he has been requested to send the papers relating to the liabilities under reference to this Office. Necessary action will be taken after the receipt of the records and a report will be made to Government in due course.

I have the honor to be

Secretary.

Further report is awaited

Yes. Put this up in the Commerce file

Attended to

(46

of liabilities no claims have been received from any of the parties concerned demanding payment and it serves no useful purpose to investigate each of these items, at this distance of time.

5. The bundle of treasury receipts and connected correspondence for the subscription amounts aggregating Rs.54-8-0 will be sent to the Comptroller for necessary adjustment. As regards the stock on hand paper valued at Rs.288/- has been taken over by the Government Stationery Depot and the articles of furniture and the type-writer ~~of furni-~~ have been received in this office along with two dictionaries. The waste paper valued at Rs.25/- was not received in this office and it may be left out of account. The remaining items of assets consist of subscription and advertisement charges recoverable amounting to Rs.13-12-0 and Rs.192-12-0 respectively, and an amount of Rs.1476-13-4 for which credit is given in the Comptroller's audit note dated 6th July 1921 on the accounts of the Mysore Economic Journal for the period from June 1920 to February 1921. No action has been taken to recover the subscription and advertisement charges so far and it does not appear to be worth while investigating these claims at this distance o time and the same may be written off.

6. In regard to the large item of Rs.1476-13-4 said to have been given credit for, it is seen from paragraph 10 of the audit report on which orders of Government dated 11th December 1922 have been passed that the amount apportioned for private agency in connection with the audit of the accounts of the Mysore Economic Journal for June 1920 to February 1921 was Rs.1489-8-4; and from a perusal of the statement accompanying the audit report on the accounts of the Mysore Economic Journal it is observed that out of the amount due to the private agency Rs.1407-12-11 had already been paid into the Treasury. In this connection a suggestion was also made by the Editor of Mysore Economic Journal in his letter dated 20th August 1921 that out of the amount of Rs.2701-6-10 due to Government a sum of Rs.853-2-10 might be recovered from the amount due to the private agency and the balance of Rs.1848-4- might be written off; but no orders seem to have been passed on this suggestiom.

7. Under these circumstances it is not clear what amount should be taken

taken as being at the credit of the Arthasadhaka Patrika and how the same should be realized. I therefore request that the Controller may be authorised to make the necessary adjustments and close the accounts, any balances outstanding being written off. He may also be instructed to send a statement showing the final position of the accounts and their adjustment to this office.

I have the honor to be,
